Form and function walk the quality path with AfterMarket Products from Wilson Trailer Company.

Toolboxes – The Most Durable and Sharpest Looking Toolboxes on the Market!

Wilson Aluminum toolboxes have the quality demanded by truckers and contractors. Light weight aluminum construction maintains high strength with the ability to withstand the demands of hard service year after year.

The most common sizes are:

- 23" X 24" X 60" – Double Door.
- 23" X 20" X 60" Double Door for Drop Deck.
- Call for additional sizes.

Shelving can be added for straps, crowbars or other miscellaneous items

Properly mounting the toolbox is very important! If done correctly it will add longer life to your toolbox.

- Water resistant rubber sealed door.
- Available with smooth or treadbright finished doors.

Piano Style Hinge

Bulkheads

Wilson aluminum bulkheads are available in a flat or wrap-around style and made with solid or mesh material.
